Dear Fellow Business,

Founded in July 2022, Ms. Kais Academy of Performing Arts brings performing art education to the San Luis Valley community. Our focus is to create community, build character, and inspire excellence through performing arts education by bringing the transformative power of theatre to all people. Ms. Kais provides performing arts education for students 3 years old to adulthood in Monte Vista, Colorado through high quality, character-building classes and musical theatre shows. We currently serve around 200 students in our programs.

This Christmas, our students will take the stage for our 5th-year Christmas production, **The Light We Share** on December 4th & 5th at 6:30 PM Doors Open at 5:00pm

But this year, our show means even more. Following the devastating events affecting our studio, we are turning this special production into a fundraiser to help us rebuild and continue providing a place where our students can learn, grow, create, and shine.

We invite local businesses, families, and community members to partner with us by sponsoring our Christmas show. Your generosity will help us rebuild while supporting the dreams of the children who make Ms. Kais so special. To sponsor all we ask for is a minimum of $150.

Whether you are a business looking to support our community or an individual who believes in the power of the arts, **every contribution helps us keep the light shining!**

From the bottom of our hearts, thank you for standing beside our students, our families, and our Ms. Kais family during this time. We believe that even in the hardest moments, light can shine through.
